

NORTH CAROLINA POLICE EXECUTIVES ASSOCIATION

Duty.Honor.Community.

December 21, 2019

Dear Agency Executive,

It is time to complete your 2020 membership application and dues for the North Carolina Police Executives Association for the 2020 calendar year. The deadline for enrollment is **February 3, 2020**.

An agency membership permits you and all personnel holding a supervisory rank or higher to enjoy benefits that include savings in conference and training fees, eligibility for college scholarships for dependents of active members, legislative and training updates, legal bulletins, and networking with other members via our website.

It is very important to enroll both your agency and individual members online. This ensure that you will be included in our list as we share legal and legislative bulletins, training and conference announcements, scholarship application details, employment opportunities, policy updates, and so much more. Instructions for online registration are included in this mailing. If new executives have been added to your authorized strength, please send their name, rank and email to info@ncpea.org.

The dues for 2020 are as follows:

<u>Number of Sworn Personnel (entire agency)</u>	<u>AGENCY COST</u>
1-24	\$75.00
25-74	\$125.00
75-299	\$250.00
300+	\$500.00

NOTE: Your membership dues are based on the entire size of your agency.

**Individual and associate memberships are available for \$10* Dues may be paid by credit card or by check. See payment instructions on adjoining page.*

Should you have any questions regarding your membership for 2020, please contact our office at (910) 420-0119 or at info@ncpea.org. We hope to see you at our Summer Annual Training Conference in Wilmington, North Carolina starting Monday, July 13th, 2020. Registration will open February 3, 2020.
